44 Years of PROGRESS...

Pride in products and Company on the part of management and employees working together, combined with the interest and support of the people in the community have been the key to our growth. This has brought us from our beginning in Alamance County as distributor in 1925, and manufacturer in 1937, to the position of being one of the world's largest hosiery producers in 1969. Today we make hosiery and related products for men, women, and children under world famous brand names. Our plants are located in the cities shown on the map. We are pleased to bring you this story of progress, because it started in this area.

AND TODAY, THE KR MANUFACTURING SYMBOL IS LOCATED IN THESE SOUTHEASTERN CITIES...
